Subject: Organified U follow-on questions
Attachments: Org_uranium_questions.docx; Dewey-Burdock GW Quality.xlsx

Hi Valois,

It was good to speak with you. Here is a Word file with some response to questions from October. I've also attached an Excel file in which GW quality data have been compiled from the permit application materials. One of the tabs is a subset with the radionuclides.

Have a good weekend!
Mary Ellen
